July 12<sup>th</sup> marks the kick off of Myrtleville's sensational summer camp! Each week will be designated by a specific theme, which in-turn will give direction to all of the week's activities.

Camp will take place in the Drive Shed which is located on the grounds near the parking lot at Myrtleville Museum. During the day, if you need to contact the museum for any reason, the number for the museum is **519-752-3216**. You can also e-mail the education officer at [esther.brouwer@brantmuseums.ca](mailto:esther.brouwer@brantmuseums.ca). Messages will be checked frequently.

Regarding medical emergencies during camp hours, we ask that parents read over our consent form. Staff is only able to assist in certain MINOR medical emergencies, and because we are a small organization we are not able to provide or administer any medication to our campers. Please note that the museum cannot guarantee that we are a nut free facility, however **we ask that you do NOT pack products that contain nuts in your child's lunch.**

On **Wednesdays, weather permitting**, we may be travelling to Anne Good Park on Allensgate Drive, a short, 2 minute walk from the museum. Permission forms will be handed out weekly on the **Wednesday morning of that same week**. For those campers not attending the park, alternative programming will be provided at the museum. These activities will include colouring sheets to that week's theme or a selection of board games.

Lost and Found will be kept at camp and campers will be asked to check it at the end of each day.

We encourage all of our camp families to call Myrtleville if they have any further questions regarding our programs. We look forward to seeing our campers this summer and will work enthusiastically to make our camp a positive and memorable experience!

### **Daily Safety Guide for COVID-19**

Our staff is committed to making sure Myrtleville is the safest environment possible for your children, therefore the following steps will be taken daily:

- Parents are requested to complete a daily screening for your children before arrival on site. Email or Print results for supervisors records. (<https://covid-19.ontario.ca/school-screening/> )
- If a daily screening test has not been completed prior to arrival, staff will begin an active screening before the camper is signed in. If you have a printed copy of your child's screening test, give it to the staff to collect, ensuring the name and date are on the form.
- Staff will be keeping a daily record of individuals entering the camp setting (name, time of arrival/departure, screening completion, etc.) to facilitate contact tracing as required.
- Cleaning and disinfecting frequently touched surfaces at least twice a day. (this includes eating areas, light switches, sports equipment, toys, water cooler knobs, and washrooms)
- Ensuring handwashing or alcohol-based hand-rub is happening frequently with all campers.
- Ensuring water coolers remain filled and used only for refilling camper's water bottles or disposable cups, or washing hands.

- Ensuring all children in grade 1 as of September 1st 2021 are wearing masks when indoors or within 2m of each other (this includes the driveshed). Use of masks is not required for outdoor camp activities IF physical distancing of 2m can be maintained between campers.
- If food distribution happens (for baked goods, frozen treats, etc.) it will be done by one staff member wearing gloves and PPE. This means that our regular rules around baking will be changed to accommodate this new safety measure.

### **Code of Conduct for Myrtleville House Camps**

All staff, youth leaders and campers should be aware of the following rules. Parents are asked to please review the code of conduct with your child prior to camp. Thank you!

20. Campers must be respectful of our neighbors. We ask campers to not intentionally throw any items over the fences to our neighbors backyards and be considerate of their noise volume particularly in the morning.

### **Behaviour Procedure and Anti-bullying Policy Myrtleville House Museum Summer Camp**

The purpose of this policy is to ensure every child feels safe and comfortable at our summer camp.

Definition of Bullying: Bullying is defined as a deliberately hurtful behaviour, **repeated** over a period of time. Please note that one incident of inappropriate behaviour does not constitute bullying.

There are several kinds of bullying:

Physical (hitting, kicking, punching, tripping)

Verbal (name calling, racist remarks)

Indirect (spreading rumours, excluding someone from social groups)

1. The tribes agreements will be outlined at the beginning of each week of camp. They will be reinforced each day of camp, first thing in the morning. They are attentive listening, mutual respect, no put downs (appreciations) and the right to pass. Expectations for each agreement will be discussed and posted on the wall.
2. If a child is aggressive toward another child, makes a verbal comment that is a put down or uses an indirect form of bullying, the incident will be recorded and placed in a behaviour binder.
3. After each incident, the education officer or camp counsellor will discuss the issue with both children and discuss how to make things better and a better way to handle the disagreement, or comment etc. The offending child will be asked to apologize. If the education officer or camp counsellor deems that the incident is serious, the parents/guardians will be notified.
4. The incident reports will be monitored to see if there is a pattern. If one particular child is repeatedly bothering the same child, or repeatedly using bullying behaviours toward others, the parents will be contacted.
5. After 3 serious incident reports in the binder, the child will be asked to leave camp as per discussion with camp staff and executive director.
6. If the child is displaying inappropriate behaviours (mild-moderate) he/she will be asked to stop. The 1,2,3 magic discipline program will be used. If the child does not stop, they will be asked once more. If they continue he/she will receive 3 and then a time out will take place. After 2 timeouts, the parent will be notified. After 3 timeouts the child may be asked to leave camp depending on the severity of the incidents. Each case will be discussed with camp staff and executive director. A refund will not be issued for children who are sent home for behaviour incidents
7. An automatic timeout will be issued for severe behaviours and a behaviour report will be written and placed in the behaviour binder.

Your children's health and safety is our top priority. To help keep our campers safe and healthy you can do a few things:

- Pack a nut free lunch for your children
- Pack a reusable water bottle with your child's name on it
- **Do not bring snacks or treats for the entire camp. We appreciate your generosity but campers will only eat what their parents have packed for them or the treats we have made at camp. If you would like to make a donation to the camp a toy like a Frisbee or soccer ball would be much appreciated.**
- If your child has not been vaccinated against or contracts: Diphtheria, Tetanus, Polio, Measles, Mumps, Rubella, Meningococcal Disease, Pertussis (whooping cough) or Varicella (chickenpox) please let us know. In the event of an outbreak this information is important.
