

X2013.321 – H. L. Vansickle Music Collection

Collection Information – This was found in the museum as part of the 2013 Inventory Project. H. L. Vansickle was a orchestra leader for the band at the Temple Theatre (now the Sanderson Centre). He played with the group around 1928. Early Pieces of music are stamped Property of C. Moule, while later pieces are stamped, Property of H. L. Vansickle, Violinist. The band was a group of about ten individuals.

To keep the music organized in a similar manner, most pieces were given a number on the outside folder. This will be used for third number in the accession number. Many pieces have the piano, 1st Violin, 1st Clarinet, Cello, Bass, and Drums separate from the remaining parts, suggesting this was the core make up of the group. Letters will be given to each part in the following order for consistency:
